Mosaic Data Science, headquartered in the Northern Virginia/Washington, DC Metro area, encourages qualified data scientists to contact us regarding current full-time, salaried consulting opportunities in the **Calgary, Canada area.**

Mosaic Data Science is a dynamic, growing data science consultancy solving some of the most complex and interesting problems in industry. At Mosaic you'll contribute to data science projects requiring a variety of analytical and business skills in many verticals, including logistics, retail, utilities, healthcare, telecommunications, media, oil and gas, and manufacturing. You'll work with talented, creative, and self-motivated colleagues who hold themselves to very high standards of professionalism and quality. You will have an opportunity to interface directly with customers; part-time travel to customer sites may be required. Telecommute options are also possible. You can expect your responsibilities to grow as quickly as you're willing and able to receive them. You'll enjoy a fantastic benefits package that includes profit sharing and generous personal leave, professional development opportunities, as well as first-rate healthcare and retirement benefits. Most folks who join Mosaic stay here for a long time.

Qualified candidates will have:

- Master's/PhD preferred, but at minimum a Bachelor's degree in applied math, statistics, operations research, computer science, engineering, physics, cognitive science, life sciences, or a related field
- Working knowledge of statistics, machine learning, optimization, data visualization, computer programming
- Practical experience with R or Python, experience with R is an asset
- Experience with databases and SQL code, experience with SAP products is an asset
- 1+ years of experience applying technical skills to real-world business problems; experience in human resources, healthcare, operations management or logistics would be valuable
- Expertise/experience in oil and gas related work is an asset
- Strong written and verbal communication skills, comfortable with telework, a high level of professionalism, and genuine customer orientation
- Willingness and ability to travel in the Calgary area to work on-site with customers
- Must be a Canadian Citizen or Permanent Resident

All qualified applicants will receive consideration for employment and will not be discriminated against on the basis of race, color, religion, sex, sexual orientation, gender identity, national origin, age, disability, or protected veteran status. Mosaic ATM takes affirmative action in support of its policy to employ and advance in employment individuals who are minorities, women, protected veterans, and individuals with disabilities.
